St. Mary's School

Student of the Month for February

Logan Foellmi

Logan Foellmi, daughter of Lucas and Theresa Foellmi, is the 3rd grade student of the month. Logan is a positive and respectful classmate, friend, and student. Logan comes to school every day with a smile on her face that brightens everyone's day. She tries her best and is ready to learn. Logan is creative in her writing and enjoys using her imagination in creating short stories for her classmates to read. Logan is a joy to have in class and I look forward to seeing her grow as a student and individual throughout the rest of the year in 3rd grade. Keep up the great work, Logan!

Reminder: When you, a relative or friend, are picking up or dropping off students, please do not park across the street from school and make your son or daughter cross the street. It's a busy time of day with buses dropping off or picking up students.

The buses block the view and on-coming traffic wouldn't be able to see a student crossing in front of or behind a bus. Help us keep your children safe. Thank you.

The book fair will begin on Wednesday, March 7th and the last day will be Friday, March 16th. Hours: during school daily, during the Science Fair (3/7), 5:00 – 6:30 p.m. & during the Fish Fry (3/16) 4:00-8:00 p.m. This will be in the classroom by the 4th grade classroom.
